

# TRICKY

(rabbit)

60% CABERNET SAUVIGNON - 40% SYRAH  
Cassis and cherries and rolling berries.

*A rabbit is fuzzy and cute.  
A unicycle is an odd contraption.  
Each one by itself is a dignified creation.  
Put them together, and there's the trick!  
We pair dignified grapes together in such a  
way that - shazam! - Something wondrous  
comes out of it.*

## TERROIR

Soils: Deep alluvial clay and sand, low to medium fertility.  
Climate: Long, dry summers, temperatures moderated by cooling influence of the Pacific Ocean. Rainy winters.

## CABERNET SAUVIGNON - SYRAH RESERVA

Variety: Cabernet Sauvignon - Syrah  
Appellation: Maule Valley, Chile.  
Composition: 60% Cabernet Sauvignon - 40% Syrah  
Ageing Potential: Best consumed in 3 to 4 years.

## VINIFICATION

Harvest: Manual harvest using 10-kilo baskets, turned over into 400 kg. Bins for transport to the winery.

The grapes were cold macerated for 5 days, then fermented in stainless steel tanks between 26° - 29° degrees for 10 days. Then the wines were aged in a mix of new and used barrels for 8 months.

The grapes for this Estate Bottled wine come from our Batuco vineyards 40%, El Peral vineyards 40% and Las Tizas vineyards 20%.

## WINEMAKER'S NOTES

This wine has rich jammy fruit flavors yet surprising acidity and freshness and lingering tobacco and chocolate flavors. Delicious with meat dishes. It is recommended to drink between temperature 16° - 18° C.
